Revise Course Description for MGT 352 – Supply Chain Management

Current:

MGT 352 – Supply Chain Management

Prerequisites: MGT 301 and MKT 301.

Course Description: A practical tutorial on procurement and logistics. Procurement topics include materials, sourcing matrices, demand planning, and supplier certifications. Logistics topics include containerization, international trade, transportation, materials handling systems, ERP, inventory management, distribution center design, and warehouse designs and operations.

Proposed:

MGT 352 – Supply Chain Management

Prerequisites: MGT 301

Course Description: An examination of 21st Century supply chain management, strategic logistics, logistics partnering, integrated logistics systems, and materials sourcing.

Revise Course Name, Prerequisites, and Course Description for MGT 490

Current:

MGT 490 – Strategic Management

Prerequisites: Completion of all 200- and 300- level courses in the professional component, senior Business Administration major, or consent of instructor.

Course Description: Capstone course. Examines firm-level competitive and collaborative advantages within the context of industry, strategic-group, and global competition. Students will apply analytical, communication, team and management skills and functional content-knowledge to the investigation of a real-world business.

Proposed:

MGT 490 – Business Capstone

Prerequisites: Final semester senior standing, consent of instructor

Course Description: Capstone seminar. Course format provides students with experience in student integration of their specialization – specific and general business content knowledge to think creatively to generate new ideas and model novel problems.
