1. BRIEF EXPLANATION OF PROPOSED CHANGE:

With the Liberal Studies core requirement reduced to 53 to 42 credit hours and total required credit being reduced to 120, there is a reduction of 300/400 level course requirement from 45 credit hours 42 hours.

In Computer Science programs, the division proposes to make the following reduction in the 300/400 level course requirements in various options and in the two undergraduate degrees it offers:

**Bachelor’s Degree in Computer Science:**

Information Systems Option:
One 3 hours COS 300/400 elective – Changed to a 3 hours 200 level elective

Information Security Option:
Two 3 hours COS 300/400 electives – Changed to two 3 hours 200 level electives

Computer Gaming Option:
Two 3 hours COS 300/400 electives – Changed to two 3 hours 200 level electives

**Bachelor’s Degree in Digital Gaming and Simulation:**

One 3 hours COS 300/400 elective – Changed to a 3 hours 200 level elective

*Justification:*

*This will help us in accepting an additional COS course as elective in our articulation agreement with the KSTCS.*
