**Write a word-processed formal letter clearly stating in detail why this award should be given to you, with particular attention to your merit and need for financial assistance. **Conditions:** As a grant-in-aid recipient, I commit to academic excellence and to behavior that puts WYS in a positive light. The WYS Scholarship Committee may make appropriate enquiries for information in support of my application for a grant-in-aid. I am willing to help in reasonable ways in recruiting students for Whitney Young School or for study abroad, and I agree to serve on the WYS Student Council if and when needed and participate in the council activities. I understand that if I am applying for a study-abroad program, I will be required to pay a non-refundable program application fee, determined by the sponsoring study-abroad organization. If I am awarded a grant-in-aid, and I later decide to withdraw from KSU or from the study-abroad program for which I have applied, I will notify the chairperson of the WYS Scholarship Committee immediately. In this event, I will be fully responsible for any unpaid balance due to KSU or to the study-abroad organization. My signature below indicates that I have read, understood, and agree to the above conditions.
