The EPSB’s new web portal allows educators to create private accounts, update demographic information, and have read-only access to their certification records with 24/7 secure access.

- Registered members may use the web portal to check on application status.
- Certification fees may be electronically paid using E-Pay.
- School district administrators can obtain certification data on current or potential employees using the KY Educator Certification Inquiry program.
- The Intern Management System (IMS) electronically gathers and tracks information relating to a teacher’s internship period. Confirmations of Employment (COE), Records of the Teacher Internship Year (RTIYs) and Resource Teacher Time Sheets (RTTs).
- The Cooperating Teacher Assignment is used by Student Teacher Supervisors and the Cooperating Teacher Payment program to electronically complete the payment process.
- Click on the slide show icon below to view the EPSB registration process for new users.

Disclaimer

The Education Professional Standards Board (EPSB) is the state agency responsible for issuing certificates for all Kentucky teachers. Students enrolled in an educator preparation college course and completing field experience activities are responsible for reporting and electronically entering accurate field experience information. Institutions are responsible for verifying student submissions of field experiences and ensuring each submission meets the requirements of the EPSB. Any deliberate submission of inaccurate information is subject to investigation.

This disclaimer will appear before each initial field experience entry for a course. Clicking "Accept" is verifying that you have read and understand the statement.
