1	KSU needs to clean house with new administrators and stop letting any student with a pulse and bank account into the school.	Apr 9, 2014 7:27 AM
2	Level of motivation for students is very low and some staff have no idea what their job responsibilities are	Apr 3, 2014 7:57 AM
3	I believe KSU would be a better school if the organization between the departments were better. No one ever seems to know anything, no one answers the phone, people in bursars are very rude. I graduated in May 2012 and somehow I still don't have a degree on file. I think that efficiency and accuracy should become a focus and the school would be better. Perhaps visit other schools to see how they handle things when it comes to students.	Feb 6, 2014 10:40 AM
