

Third Thursday Thing Program October 2015

Program was about goat production and marketing in the US. Attendees were given two books on goat production published by American Institute for Goat Research at Langston University:

- Meat Goat Production Handbook 2nd Edition
 - ISBN 10: 1-880667-06-1
 - ISBN 13: 978-1-880667-06-4
- Meat Goat Production Basics
 - ISBN 10 : 1-880667-04-05
 - ISBN 13: 978-1-880667-05-07

In the morning session:

Frank Pinkerton from Texas gave a presentation titled [Market Supply, Demand Issues and International Competition](#)

Ken McMillan, from Louisiana State University, gave a presentation titled [Goat Carcass Research and Adding Value](#)

After lunch:

Frank Pinkerton expanded on markets with the presentation: [Direct Markets: Opportunities, Constraints and Logistics](#)

Denise Martin with Martin Meadows Farm gave the presentation: [Taste of Chevron: A Step By Step Journey](#)

The sessions were recorded using Adobe Connect for those who could not join us at KSU's Center for Farms and Families. To view the presentation, just click on the hyperlinked name of the presentation.
