WorldCat Discovery Searching

This system provides KSU students, faculty, staff and the community access to search local and global networks for library content and services. Find books, articles, ebooks, and many more at KSU WorldCat Discovery.

BOOKS

At Kentucky State University homepage (www.kysu.edu) Do the following:

1) Click on Academics

2) Click on Library as shown

---

Blazer Library
3) Click on the “Library Catalog”

OR you may click on the Library Catalog Icon at the bottom of the page as shown below:
4) Type your search terms and click on the search button

Example: Type - *Study skills*. Click the search button
5) At the *Results Screen* select any item desired. For Example, - select the first book by clicking on the title. If you click on the title then proceed to step number 6. (NOTE: You can opt to write down the quick location, and call number if available. You can click on the provided right side icons for Email, Cite, URL link, and for creating a temporary list).
6) Scroll down the screen to the Availability/Holdings. Under Holding Summary, find the “call numbers, location, and availability of the item. Note these information.

If the book is located at Blazer Library, you simply go to the shelf and retrieve the book. If it is online then you will be prompted to sign in, unless you signed in initially. Contact the Reference Desk for further assistance.
Interlibrary loan

If a book is located at another institution you can get it by clicking on “Request item” and completing the form. The “Request Item” form link is conveniently embedded in each item record. This is located beneath “Availability/Holdings.” See the example below. Use your KSU email address for all transactions. Sign-in if prompted. See example:
