

PLAN OF STUDY

Prerequisites

ENG 101	English Composition I	3
ENG 102	English Composition II	3
SPE 103	Interpersonal Communications	3
BIO 107	Anatomy & Physiology I	4
BIO 108	Anatomy & Physiology II	4
BIO 204	Fundamentals of Microbiology	3
PSY 200	General Psychology	3
MAT 115	College Algebra	3
CHE 209	General, Organic & Biochemistry	4
FNU 104	Basic Nutrition	3
PSY 303	Developmental Psychology	3
SOC 203	Principles of Sociology	3
BSS 300	Statistics	3
IGS 200	Ancient World	3
-----	Foreign Language I ^Σ	3
-----	Foreign Language II ^Σ	3
-----	Advanced Placement ^π	38

Semester 1

NUR 308R	Introduction Human Genetics	3
NUR 309R	Health Disparities & Cultural Competence	3
NUR 325R	Public Health Nursing ^ε	3
NUR 425R	Gerontological Nursing ^ε	3
		12 credits

Semester 2

NUR 430R	Topics in Clinical Nursing	3
NUR 431R	Information Management & Technology	3
NUR 432R	Research & Evidence Based Practice	3
-----	Arts, Music, Theatre	3
		12 credits

Semester 3

NUR 434R	Nursing Leadership	3
NUR 435R	Nursing in Global Healthcare Systems	3
NUR 436R	Senior Capstone Seminar	3
		9 credits

^π The RN-BSN curriculum includes nursing credit hours for holding an active license in the student's state of residence. A selected number of liberal-general studies credit hours may be transferred from a regionally accredited associate or diploma nursing program[¥]. Students must complete the RN-BSN program of study within five (5) years beginning with the first semester of admission to the University.

^Σ Both courses are required to be the same language. Two semesters of sign language may be acceptable for foreign language credit.

[¥] Liberal-general studies credits earned at institutions of higher learning outside of the U.S. must be evaluated to determine transferability prior to submitting an application for admission to the RN-BSN program.

^ε Courses held in two 8-week sessions.
